

COMPASS 360 ASSESSMENT DIRECTIONS

This assessment is meant to focus on the current evidence of the coaching experience of the person you are assessing. We intentionally did not write this as a “Skills” Assessment but instead as, “What are they doing this year in coaching?” For us to truly help that coach identify their strengths and weaknesses and build from that personal place, we need you to be as honest as possible. Their results will be private and your name will not be shared with your answers. Please do not spend more than 15-20 seconds on any one question, your initial response is what we are hoping to gather.
